

**JOURNEYMAN/WOMAN PLUMBER / GAS FITTER  
CAMP CONSTRUCTION & MAINTENANCE**

This position is responsible for field installation and maintenance of equipment and camps for Terra Water Systems Inc. The Ideal candidate is a jack-of-all trades, with relevant remote camp install and maintenance experience. The position would require up to 3 weeks of work remote at a time, with occasional in-town work. Responsibilities include:

- Working with on-site Terra contracted labor to assist in installation, maintenance and repairs of all plumbing, heating, gas piping and other related equipment.
- Assist with preparation to install, set-up and tear out of remote camps and ancillary equipment.
- Troubleshoot and carry out equipment maintenance requirements on a periodic basis.
- Work with Terra's operations staff on site and identify/contribute to Terra's Continuous Improvement initiatives.
- Improve skill set and knowledge by taking industry and Terra sponsored training programs.
- Focus on safety practices and policies while undertaking day to day tasks associated with the job or work site tasks.
- Building ancillary equipment as needed (pipe, hoses, lift stations, cords).
- Various other duties as required.

Accountability and decision-making skills:

- Demonstrated experience in responsible financial, budgetary and cost decision-making.
- Issue Terra- approved purchase orders (POs) to field contractors as required for on-site services.

Education and experience:

- 3+ years in the remote work camp installation or maintenance.
- Registered journeyman/woman.
- Valid driver's license and a current abstract.

Other skills and competencies:

- A positive team player with strong work ethic who is reliable and punctual.
- Strong mechanical aptitude and problem-solving skills.
- Good communications skills, both written and verbal
- Computer skills in Microsoft Word, Excel and Outlook.
- Organized with the ability to multi-task, including ability to maintain accurate equipment files.
- Ability to meet job requirements under minimum supervision.
- Excellent and engaged attitude toward workplace safety.
- Able to lift, move and carry up to 50 lbs.
- BC and or Ontario Gas Fitter Ticket an asset.
- Operator tickets such as Telehandler, Aerial Work Platform and Skid Steer would be considered an asset.
- Ability to pass a pre-employment and random drug and alcohol testing.
